Warranty statement: All products are sold with a 12 month warranty, against faulty material and workmanship, effective from shipping date. A suspect product will be repaired or replaced free of charge, should a claim be deemed fair and supported by this supplier and client. Client must contact this supplier with the product model number, serial number and purchase date, for an immediate warranty investigation. Claims cannot be supported where it is clear that the product has been used in a way other than its intended purpose.
